

Technical Expert Panel (TEP) Membership List

Project Title: Patient Safety Measure Development and Maintenance

Project Overview:

The Centers for Medicare & Medicaid Services (CMS) contracted with Mathematica to develop hospital harm electronic clinical quality measures (eCQMs). The contract name is Measure & Instrument Development and Support (MIDS): Patient Safety Measure Development and Maintenance. The contract number is 75FCMC18D0032, Task Order number is 75FCMC24F0023. As part of its measure development process, Mathematica convenes groups of stakeholders and experts who contribute direction and thoughtful input to the measure developer during measure development and maintenance. The purpose of this TEP is to convene a group of diverse perspectives and expertise to advise on conceptual, technical, and implementation considerations of hospital harm eCQMs.
